Available Finishes & Styles

FINISHES

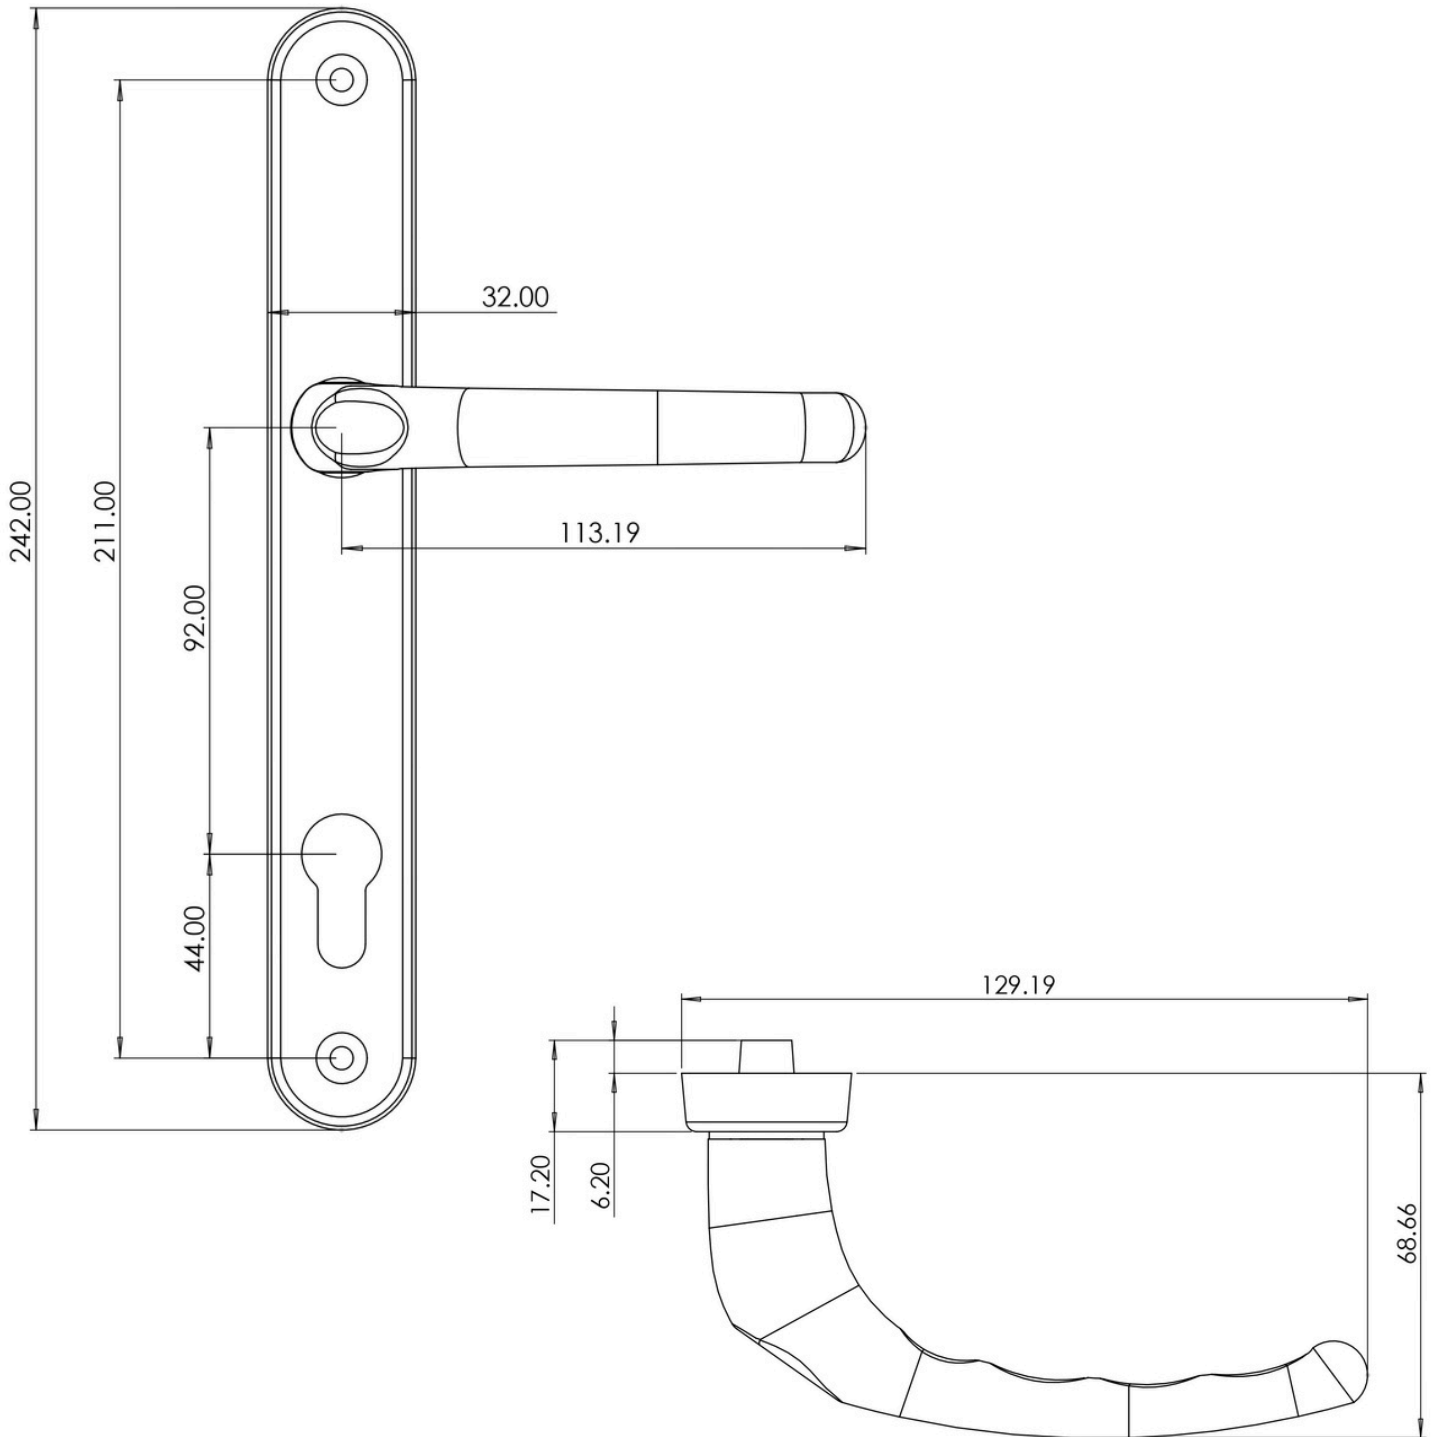

- Polished Chrome: Sleek and shiny for a modern look
- Black Powder Coat: Sophisticated and bold
- White Powder Coat: Luxurious and timeless

STYLES

- Modern Minimalist: Clean lines and simple shapes for a contemporary look
- Classic Elegance: Curved, ornate designs for traditional and vintage-inspired interiors
- Industrial: Robust, functional designs with a raw, metallic feel

DIAGRAM & MEASUREMENTS

* All dimensions are in mm

APPLICATIONS

The door handle offers a perfect blend of style and functionality, enhancing the overall appeal of your doors. Designed for durability and ease of use, it is suitable for both residential and commercial applications, ensuring a secure and comfortable grip every time.

RESIDENTIAL

Perfect for home interiors, including bedrooms, bathrooms, kitchens, and entryways.

COMMERCIAL

Suitable for office spaces, hotels, and restaurants, providing both functionality and elegance.

OUTDOOR

Durable enough for external doors such as garden entrances and garages.

MAINTENANCE INSTRUCTIONS

- **Cleaning:** Use a soft cloth and mild soap solution to clean the surface. Avoid abrasive cleaners to prevent scratches.
- **Regular Check-Up:** Periodically check the screws and latches to ensure the handle is securely fixed.

WHY CHOOSE OUR DOOR HANDLES?

- **Superior Craftsmanship:** Designed by experienced engineers with attention to detail.
- **High-Quality Standards:** Each product is rigorously tested for quality, safety, and performance.

ABOUT US

Marvel Life Science Products Solutions specializes in innovative and high-quality building products designed to enhance durability and functionality. With a commitment to excellence and customer satisfaction, we offer a wide range of solutions, including door and window hardware, sealing products, and more. Our expertise ensures that every product meets industry standards while delivering exceptional performance for all construction needs.
